AFAK — Social Media

Horizon Foods is a Saudi company established in 2017 and obtained a license to import livestock from the countries permitted by the Ministry of Environment, Water and Agriculture and became the first importer of distinguished Romanian sheep with high-quality meat as a result of organic nutrition obtained from green Romania pastures.

Several shipments of Romanian sheep were imported, which exceeded two hundred thousand sheep, were completely sold, as they were accepted by consumers in the Saudi market in terms of quality and price.

FOR EVERYONE

Fashion is a form of self-expression and autonomy at a particular period and place and in a specific context, of clothing, footwear, lifestyle, accessories, makeup, hairstyle, and body posture. The term implies a look defined by the fashion industry as that which is trending. Everything that is considered fashion is available and popularized by the fashion system.
